High School Drama

Hi. My name is Astrid and this is my diary. High school is tough, especially when there is this one kid who always has an excuse to be grumpy or mad at you, isn't there? Well, I have that problem, too. I love my life though, so it's not all bad: great friends, the best family ever and I do gymnastics. It is just this one kid who is a pain in the neck...

Dear Diary,

Nooooooooo! my last diary in this Diary! Anyway, I have been to the shop and bought myself another diary to write in. Had an OK day at school today, Abigail (the person who is nasty to me) wasn't in today so me and my great, supportive circle of friends had a ball! No worries, no grumpy people about! I was totally dreading today though, because yesterday Abigail told everyone that I was two-timing with another boy called Hiccup... I was so scared what my boyfriend would say! but I explained to him what had happened and he understood luckily! Me, Marnie and my best friend, Phoebe grouped up in Music today and we got to create our own music! Ours, of course, was a remix of HTTYD, Brave, and Pitch Perfect! It sounded really cool!

G2G now... homework to do, great (not!!)
